Special Edition

E-UPDATES is an electronic newsletter sponsored and operated by the Student Loan Guarantee Foundation of Arkansas (SLGFA) to provide program information to schools and lenders participating in the Federal Family Education Loan Program (FFELP).

IN THIS ISSUE:

1. Enhancement to Credit Service Soon Available

SLGFA is pleased to announce an OpenNet Web Loan Delivery (ONWLD) enhancement designed to streamline the credit denial processing for our lender clients that participate in the PLUS Credit Service (PCS) provided by SLGFA for parent and graduate borrowers.

Beginning October 20, 2008, lenders utilizing SLGFA PCS will have the ability to access the web via ONWLD, review the credit report online, and initiate an approval to override the credit decision or confirm denial after further review.

Other features include the option for the lender to receive an email notification when there are pending credit decisions to review via ONWLD, as well as, the option to perform various queries by credit status and search on any originating lender codes associated to them.

Additional set up on the lender profile will be required for this enhanced feature. Those interested in participating may contact School and Lender Services Department Manager Karen Williams at kwilliams@slgfa.org or 800-622-3446, ext. 629.
