Special Edition

E-UPDATES is an electronic newsletter sponsored and operated by the Student Loan Guarantee Foundation of Arkansas (SLGFA) to provide program information to schools and lenders participating in the Federal Family Education Loan Program (FFELP).

School Processing Review

SLGFA is committed to another successful guarantee processing cycle for our client and borrower customers. The 2008-2009 processing season is just around the corner and many changes have occurred over the past few months within the student loan industry. As schools prepare to create and submit electronic certifications for processing, SLGFA developed a guide which outlines some specific items that schools are encouraged to review prior to processing bulk transmissions of 2008-2009 loan records.
