## **Income-Based Repayment Webinar Training**

SLGFA is pleased to announce a webinar training opportunity — An Introduction to Income-Based Repayment (IBR), which will become effective on July 1, 2009. The webinar is scheduled for Friday, February 20, 2009, at 12 p.m. CST. The National Council of Higher Education Loan Programs (NCHELP) is sponsoring this series of webinars.

If you are not sure what “standard-standard,” “permanent-standard,” and “expedited-standard” mean or how this new repayment plan will work, then this series is for you.

To register, click [here](#). The audio portion and presentation slides for this webinar are both delivered through your PC. You will also need a sound card and speakers or headphones in order to hear this webinar. It is important to test your PC for compatibility and to make sure it meets the minimum technical requirements to attend this event. Please allow sufficient time prior to the event for this test. Click [here](#) for the test.

Please note that the number of lines is limited so you may want to join others at your institution to participate in the webinar.

Additionally, this topic will be covered at the upcoming SLGFA Annual Conference scheduled for Tuesday, March 10, 2009. If you have not registered for the conference, please click [here](#).
