[Navigate ECASLA at the 2010 SLGFA Annual Conference on Wednesday, March 10](#)

Trepidacious travelers, one trip we will be making in our financial aid jungle is to the ECASLA National Park. This safari is an overland journey, traditionally for big-game hunting, so bring your cameras, your pens, and your notepads. The sights you will see will simply amaze you.

You are going to discover new mysteries of the jungle and may be exposed to sights and sounds that you've never had to encounter before. You will hear of how some jungle inhabitants (ACS, SLMA, Nelnet, PHEAA, and Great Lakes) have assumed new roles in the ECASLA National Park since being "put" in charge of servicing for other game in the wild.

So prepare yourself for the changes that are happening around you in the ECASLA National Park by attending this session at the 2010 SLGFA Annual Conference on Wednesday, March 10!

Please submit any item(s) you wish to have referenced at the session to Caller Information and Assistance Department Manager Theresa McDuffee via [e-mail](#) by Wednesday, March 3. Don't miss this opportunity to have your issue, challenge, comment or concern heard!

This conference will no doubt offer something for every participant, regardless of loan program. The conference program is designed to provide information on a variety of topics, including topics that are loan related and topics that are more general in nature.

The jungle drums are beating, so don't monkey around and miss the opportunity to attend the 2010 SLGFA Annual Conference. To register for the conference, and learn more, visit [SLGFA's conference Web page](#).
